Narrator AR

Schools AR activity pack

Welcome to the AR Learning Hub for Early Education

The AR Learning hub is a self-directed, comprehensive, curriculum aligned program for early learners.

Activities use AR to engage young children to learn skills, apply skills and build confidence. It's designed to help teachers and parents make learning fun.

LEARN SKILLS

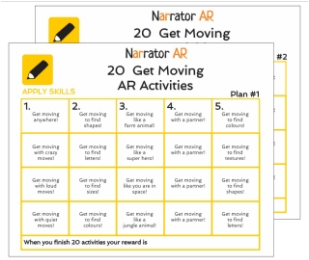
APPLY SKILLS

BUILD CONFIDENCE

Curriculum aligned early learning plans include:

Literacy ABC

Numeracy 123



Get Moving!

Story Pages

Highly engaging, every activity includes:

Fine motor
Writing + Drawing

abc
123
Letters +
Numbers

Creative
Storytelling

Augmented
Reality

How AR Activities work

What you need

- Pencils
- AR Activity sheet
- Narrator AR app (free)

Download on the App Store

GET IT ON Google Play

What to do

- Print AR activity sheet
- Children write on the page
- Hold app over the page
- Watch AR animation

These AR activities are example only.
You may copy and share these pages.
More information is available at
NarratorAR.com.au

Narrator AR

Daily Learning Plan for Early Learning

MORNING
30 minute blocks

CONNECTION IDEAS

Check in
How are you feeling today?

Weather check
What's going on outside?

The day ahead
Read through schedule

Read a book

Discuss the book

- Talk about the book - eg. characters, setting, what happened?
- Draw a character
- Dress up as a character
- Retell the story with your favourite toy
- Draw a map showing places from the story
- Create a song about the book

LEARN SKILLS

Learning

Let's learn some letters and numbers

- Choose an ABC Literacy activity*
- Choose a 123 Numeracy activity*

APPLY SKILLS

Brain Break

Let's write letters/numbers and get moving

- Choose a Get Moving activity*

Get Creative

- Let's get writing, drawing and creating

Choose a Story Page activity*

Share your story with someone

*Activities at NarratorAR.com.au

AFTERNOON
30 minute blocks

CONNECTION IDEAS

Hang out
Eat lunch together

Have a chat
Share some play ideas

Fill their cup
Give them one helpful job

Structured Play

Play with outcomes

- Board games and card games
- Puzzles
- Building and construction eg. Lego
- Cook something
- Garden activities eg. plant seeds
- Household jobs (including packing up!)

Free Play

Creative, open ended play

- Painting, drawing, crafting
- Play dough
- Pretend play
- Dress ups
- Making things with recycled or garden objects
- Outside play with balls, hoops, water, anything
- Build a fort

Connect with others

Connection gives children a sense of belonging

- Call a friend
- Write a note / draw a card to a classmate
- Zoom/FaceTime Grandma, show her your work
- Meet a friend at the park (if possible)
- Watch a live stream of zoo animals
- Check in on your neighbour

EVENING

CONNECTION IDEAS

Dinner News
Present a topic to the family

Together time
Cuddle, watch TV ...

Bedtime Reading
Read, read read!

Every household is different. Every child is different. Every day is different.

Be flexible. Be kind to yourself. Try to have fun!
