Download the free app to show letter and number formations in Augmented Reality. To enjoy these activities you will need to AR playing cards\* and templates. Write words and numbers, draw, create stories, enjoy craft and get moving! Enjoy free lesson plans and resources for 3-7 yrs olds at [NarratorAR.com.au](http://NarratorAR.com.au).

AR refers to activities using the AR app to discover words and numbers.  
\*Playing cards can be printed as AR or non AR if you prefer not to use tablets.
